

### **TRANSFER ORDERS (NICU OR PICU TO GENERAL MODULE)**

All medication orders will be rewritten prior to transfer to a general care module from PICU and NICU.  
All medication orders will be rewritten in the PICU or NICU when a patient is transferred from a general care module to PICU or NICU.

### **POST-OP ORDERS**

All pre-operative orders are discontinued after surgery which involves a general anesthetic and will be ordered by the physician if they are to be continued. An order: "resume pre-operative medications" will be accepted.
